## ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA,

18th March, 1898.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR  
IN COUNCIL.

THE Committee of Council has had before them an application from Mr. J. Wyatt Vaughan on behalf of the undermentioned Companies, for an extension of time to complete their assessment work and permission to have the cost of surveys counted as work done on the claims mentioned.

The Fire Gold Mining Company, owners of the Neptune, Money Spinner, Midas, Free Gold, Star and Princess, mineral claims;

The Fire Lake Gold Mines Company, owners of the March, Crown Point, Morning, Snow Shoe, Wild Horse, Noon Day, Hard Scrabble and Sun Dog, mineral claims;

The Telluride Gold Mining Company, owners of the Wonderful, Baby, Tellurium and Gold Queen, mineral claims;

The Gold Range Exploring and Mining Company, owners of the Blue Bell, Tepella, Dividend, Sultan, Rustler, St. Alice, Chancery, Fire Fly, Indian Chief, Echo and Dandy, mineral claims.

The Minister of Mines remarks that the Companies have already expended large sums of money on the development of their various claims, and that the cause of the delay in the surveys of these claims was due to a conflict of opinion between the Survey Department and the Companies' Surveyor as to the interpretation of the “Mineral Act.”

The Committee, after consideration of the matter in question, as represented by the agent for the applicants, advise that an extension of time for a period of six months from the 20th March, 1898, for the purpose, be granted, also that permission be given for the cost of the surveys to count as part of such assessment work.

The Committee submit the aforesaid for Your Honour's approval.

JAMES BAKER,  
Clerk, Executive Council.

mh24 GOVERNMENT HOUSE, VICTORIA, B. C.

4th March 1898.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR  
IN COUNCIL.

THE Committee of Council has had under consideration the application of Mary Ann Laird, wife of Frederick C. Laird, of Barkerville, B. C., to wit:—

1. Lease dated 27th April, 1893, duly filed as of record as No. 71, from John Bowron, Gold Commissioner, acting on behalf of Her Majesty, to Charles House, Robert N. Campbell, W. H. Phelps, Mrs. Mary Nason and George Cowan.

2. Lease dated 29th November, 1894, duly filed as of record as No. 76, from the said Gold Commissioner, acting on behalf of Her Majesty, to W. H. Phelps and P. F. McGregor.

3. Lease dated 28th August, 1895, duly filed as of record as No. 165, from the said Gold Commissioner, to William Blackwood.

All of which said leases have by divers assignments, duly made with the consent in writing of the said Gold Commissioner and recorded, been assigned and transferred, and are now vested in the said Mary Ann Laird,

And it appearing that of the applicant's predecessors in title the following persons neglected to renew their Free Miner's Certificates before the expiration of the same, viz.:—

### NOTICE.

#### RECTIFICATION OF CROWN GRANT.

WHEREAS on the 30th day of July, 1897, a Crown Grant was issued to Eva Boss, James W. Notice is therefore hereby given that His Honour the Lieutenant-Governor in Council has directed the defective Crown Grant to be cancelled and a corrected one to be issued in lieu thereof three months from the date hereof, unless good cause is shown to the contrary.

Adverse claims must be filed with the undersigned on or before the 17th day of May next.

#### MUNICIPALITY OF SURREY TAX SALE BY-LAW.

*A By-law to authorise the Sale of Lands within the Municipality of the District of Surrey, upon which Taxes have been due and in arrear for two years prior to the passing of this By-law.*

WHEREAS it is expedient that all lands or improvements or real property within the limits of the Municipality of the District of Surrey, upon which municipal taxes have been due and in arrear for two years prior to the passing of this By-law, shall be sold and the proceeds applied in the reduction of such taxes.

Be it therefore enacted by the Reeve and Council of the District of Surrey, as follows:—

1. The Collector of the Municipal Council of the District of Surrey is hereby authorised and directed whosoever taxes on any lands or improvements or real property have been due for two years prior to the passing of the By-law, to submit to the Reeve of the District of Surrey, a list, in duplicate, of all lands, improvements or real property liable under the provisions of this By-law to be sold for taxes, with the amount of arrears against each parcel set opposite to the same, and the Reeve shall authenticate such list by affixing thereto the seal of the Municipality, and his signature, and one of such lists shall be deposited with the Clerk of the Municipality, and the other shall be returned to the Collector, with a warrant thereto annexed, under the hand of the Reeve and the seal of the Municipality, commanding him to levy upon the land or improvements or real property for arrears due thereon, with costs, Collector's commission authorised by this by-law, and contingent expenses.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands, or improvements, or real property for taxes, to ascertain whether or not there is any distress upon the land, nor shall he be bound to inquire into or form any opinion of the value of the land, or of the improvements, or real property.

3. The Collector shall prepare a copy of the list of lands, or improvements, or real property to be sold, and in such shall be scheduled in separate columns:

- (1.) The amount of taxes unpaid up to the date of passing of this By-law;
- (2.) The Collector's commission authorised by this By-law to be paid to him, and contingent expenses of sale: and
- (3.) The total amount of taxes and costs for which the property is liable to be sold.

And the Reeve shall authenticate such list by affixing thereto the seal of the Municipality and his signature, and the Collector shall cause a copy of the last mentioned list to be published for at least a period of one month preceding the date of such intended sale, in some weekly newspaper circulating in the Municipality of Surrey.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid, he will proceed to sell at public auction the lands, or improvements, or real property for taxes, on a day, a time, and at a place named in the advertisement, but it shall not be necessary for such advertisement to

state whether the lands offered for sale are patented or unpatented.

5. The Collector shall, at least two months before the time of sale, deliver or cause to be delivered to each and every person who at the time of the service of the notice hereinafter mentioned, appears upon the register of the Land Registry Office at New Westminster, as owner of any land, real property or improvements contained in such list provided in paragraph 3 hereof, or who has a registered charge upon any such land, real property or improvements contained in such list, a notice in writing, or partly in writing and partly in printing, signed by said Collector, showing the particulars contained in paragraph 3 hereof, and stating the time and place appointed hereunder for the holding of the sale herein provided for, and that unless the taxes, commission and expenses mentioned in said list are paid on or before the date fixed for the sale hereunder, said lands will be sold for such taxes, commission and expenses pursuant to the provisions of the "Municipal Clauses Act."

6. The Collector shall make a memorandum containing the date and place of service of any notice required to be delivered under this By-law, and the name of the person served, and as soon thereafter as may be convenient shall make a declaration or declarations of service before a Justice of the Peace or other competent person, which declaration or declarations shall be filed with the Clerk of the Municipal Council and a record thereof entered in the Minute Book of the Council.

7. In case personal service cannot readily be effected on any person entitled thereto under section 5 hereof, then service shall be effected in such manner as a Judge of the Supreme Court shall direct.

8. The day of the sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on a Sunday or holiday, in which case such sale shall take place on the following day, at the Council Chamber, Surrey Centre, in the Municipality of Surrey, and shall begin at eleven o'clock in the forenoon.

9. If at any time appointed for the sale of the lands, or improvements, or real property, no bidders appear, the Collector may adjourn the sale from time to time.

10. If the taxes due on any land, real property, or improvements contained in said list, and Collector's commission thereon, and all legal expenses incurred in connection with the sale under this By-law and chargeable thereto, have not been previously collected, or if no one appears to pay the same at the time and place appointed for sale, the Collector shall sell at public auction so much of the lands, or improvements, or real property as may be sufficient to discharge the taxes, interest thereon, and all lawful charges incurred in and about the sale and collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such land, or improvements, or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be prima facie evidence of the correct amount due.

11. If the Collector fails at such sale to sell such land, or improvements, or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands, or improvements, or real property for any sum he can realise: Provided that in event of the price offered for any land, real property or improvements at such adjourned sale being less than the amount of arrears of taxes due in respect of such land, real property or improvements, the Collector shall have power, if he think fit so to do, to purchase such land, real property or improvements, in the name of and on behalf of the said Municipality.

12. If the purchaser of any land, real property or improvements fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put the property up for sale.

13. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale, to the Clerk of the Municipality, and shall at the same

time pay the proceeds to the Treasurer of the said Municipality.

14. The Collector shall be entitled to ten per centum commission upon all sums collected by him as aforesaid.

15. This By-law may be cited for all purposes as the "Surrey Real Estate Tax Sale By-law, 1898."

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

ON a Report, dated 8th December, 1897, from the Minister of the Interior, stating that he has had under consideration a Minute of the Executive Council of British Columbia, hereto attached, approved by the Lieutenant-Governor on the 30th October, 1897, which embodies an agreement arrived at between that Government and Mr. T. G. Rothwell and Mr. J. A. J. McKenna, who, as his representatives, were authorised to enter upon negotiations with the Government of British Columbia with a view to obtaining a settlement of certain questions as to the administration of lands in the Railway Belt upon the Mainland of British Columbia.

The Minister further states that he has had before him the record of the negotiations conducted with the Government of British Columbia by Messrs. Certified Copy of a Report of a Committee of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 30th day of October, 1897.

The Committee of Council have had under consideration certain proposals submitted by Mr. T. G. Rothwell and Mr. J. A. J. McKenna, acting herein on behalf of the Honourable the Minister of the Interior, directed towards the settlement of certain questions of administration of the lands within the Railway Belt upon the Mainland of the Province, which proposals are embodied in a communication from Mr. Rothwell to the Honourable the Premier, dated the 22nd October, instant, and are therein stated to be

subject to the concurrence of the Minister of the Interior.

The proposals as therein contained, with certain modifications and additions which have been agreed to, are as follows:—

The agreement arrived at by the Governments of the Province of British Columbia and of the Dominion of Canada, as embodied in the Federal Order in Council of the 29th March, 1895, and the Provincial Order in Council of the 5th December, 1895, passed under Chapter 4 of the Dominion Statutes of 1895 and of the Provincial Act known as "The Railway Belt Act, 1895," respectively, should be amended as follows:—

1. The 19th of December, 1883, being the date upon which the Provincial Act, Chap. 14, 47 Victoria, was assented to, shall be taken to be the date of the transfer by the Province to the Dominion of the lands mentioned in Section 2 of the said Chapter 14 of 47 Victoria, as being thereby granted to the Dominion Government for the purpose of constructing and to aid in the construction of the Canadian Pacific Railway on the Mainland of British Columbia.

2. From the tract of lands so transferred shall be reserved all lands granted by the Province, on or before the date above mentioned, the 19th December, 1883, and all lands covered by pre-emption entry at that date; and all such lands so granted or pre-empted shall be held to have remained under the control of the Province; provided that all lands covered by pre-emption entry which were abandoned by the pre-emptor or cancelled prior to the said date shall be regarded as having passed to the Dominion; and all lands covered by pre-emption entry which were abandoned by the pre-emptor or cancelled after that date shall be deemed to belong to the Province.

3. From the said tract of lands so transferred on the 19th December, 1883, shall also be reserved all lands covered at that date by sales actually made or by applications to purchase on account of which moneys had been paid to the Province; and all lands so covered shall be held to have been under the control of the Province; provided that all lands so covered of which the sales had been cancelled prior to the said date, or for which the applications lapsed prior to the said date for non-fulfilment of the conditions subject to which such applications were accepted, shall be regarded as having passed to the Dominion; and that all lands so covered of which the sales were abandoned after the said date, or for which the applications lapsed after the said date, shall be deemed to belong to the Province.

4. Nothing contained in the next preceding paragraph shall be held to affect, alter or amend so much of the agreement arrived at and embodied in the said Orders in Council of the 29th March, 1895, and 5th December, 1895, as is contained in the paragraph numbered 3 thereof, respectively, or to affect, vary, change, or interfere with any pre-emptions granted by the Dominion or with any sales or other alienations by the Dominion of any of the land to which the said next preceding paragraph hereof relates, which pre-emptions, sales or other alienations (if any) shall be held to be valid and in full force and effect.

5. If upon examination of the copies of field notes, plans, applications and other documents which have been made for or furnished to the Department of the Interior from the originals of record in the Department of the Chief Commissioner of Lands and Works, or other Departments, or offices of the Province, it be found that the same are in any respect incomplete, the Chief Commissioner will cause to be furnished to the Department of the Interior upon specific application therefor being made to him, in each instance, such further information in the possession of the Province as may be necessary to ensure identification of any lands in the Belt alienated by the Province.

6. The title to any lands which upon the completion of the survey of the boundaries of the Belt, or of any portion thereof, have been found to have been alienated by the Province under the belief that they were outside of the Belt, but which are ascertained by such survey to be within the boundaries of the Belt, shall be confirmed by the Dominion upon receipt from the Province of the purchase money therefor; and the title to any lands which upon the completion of the survey of the boundaries of the Belt, or of any portion thereof, have been found to have been alienated by the Dominion under the belief that they were within the Belt, but which are ascertained by such survey to be outside the boundaries of the Belt, shall be confirmed by the Province upon receipt from the Dominion of the purchase money therefor.

7. Surveys of any of the said lands which have been made under the authority of the Province shall be accepted by the Dominion: Provided that copies of the plans and field notes of such surveys which have not yet been furnished to the Department of the Interior shall be furnished that Department within 6 months after application has been made therefor. Any surveys of such of the said lands as are now unsurveyed which may hereafter be made under the authority of the Province shall be accepted by the Dominion: Provided that copies of the plans and field notes of such surveys shall be furnished to the Department of the Interior within 6 months after the receipt thereof by the Department of Lands and Works of the Province. Any Surveyor employed by the Dominion shall be authorised to survey such of the boundaries of the said lands as he may find unsurveyed and the Province shall accept such survey: Provided that copies of the plans and field notes of such survey shall be furnished to the Department of Lands and Works of the Province within 6 months after the receipt thereof by the Department of the Interior. Surveys of the said lands, whether made under the authority of the Dominion or of the Province, shall be subject to the correction of any gross error that may be discovered therein.

8. The information furnished by the Department of the Interior for the purpose of securing Provincial registration of Dominion patents of lands in the Belt being now regarded as sufficient, and application under the Provincial "Land Registry Act" being all that is required to ensure the registration of such patents, it is agreed that the Minister of the Interior shall cause to be furnished to the Registrar-General of the Province a statement giving the names of all Dominion Patentees to whom patents have been issued up to the date of this agreement, a short description of the lands patented and if necessary a map identifying the locality and such other particulars as will afford the Registrar-General the necessary information to furnish each Patentee with a printed form of the application hereinabove referred to; and the Minister of the Interior shall thereafter continue to cause to be furnished to the Registrar-General upon the issue of each Patent after the date of this agreement, a notice containing like information thereof to that above mentioned.

9. None of the releases referred to in paragraph number 3 of the aforesaid Orders in Council of the 29th March, 1895, and 5th December, 1895, respectively, having yet been tendered to the Dominion Government for acceptance, and it being in the public interest that the cases referred to in the said paragraph shall not remain indefinitely unsettled, it is agreed that, at the expiration of one year from the first day of January next, any lands covered by the said agreement for which releases have not been tendered to the Dominion Government for acceptance shall cease to be subject to such agreement and may be disposed of in such manner as the Minister of the Interior may deem advisable: Provided that if any of the persons by whom any of the releases above referred to should be executed, is dead or shall die during said period of one year, or if any of such persons, or the heir, executor, administrator or assign of any person so deceased, or of any other person legally entitled to execute any of the releases referred to in the said paragraph numbered 3 of the said Orders in Council of the 29th March, 1895, and 5th December, 1895, respectively, shall by reason of any disability, such as infancy, idiocy or lunacy, be incapable of executing the same the said period of one year may be extended by the Minister of the Interior for such additional time as to him may appear just and reasonable under the circumstances of each case, to be set forth in a statement to be filed in the Department of the Interior, at Ottawa, on or before the expiration of the said year. It is agreed that upon the receipt by the Department of the Interior of any of the releases referred to in this paragraph duly executed by the person entitled to execute the same, he shall receive from the Dominion Letters Patent, in the form of the Letters Patent which would have been issued had application therefor been made to the Dominion, and such Letters Patent issued at the date of the grant from the Province through which title was claimed.

10. As it appears that persons other than those against whom action was taken, as stated in the said Orders in Council of the 29th March, 1895, and the 5th December, 1895, respectively, received Crown grants about the same time as the persons last aforesaid, and are in the same position, it is agreed that

paragraph 3 of the said orders, and paragraph 9 of this agreement shall apply to the persons named in the list or schedule hereunto attached in the same manner and to the same extent as they respectively apply to the persons named in the said paragraph 3.

The Committee advise that the proposals as above set out be accepted, and that a copy of this minute (if approved) be transmitted to the Honourable the Secretary of State of Canada for submission by the Honourable the Minister of the Interior, if the agreement herein set out is concurred in by him, to His Excellency the Governor-General in Council for approval.
